

#### CBN Assistant®

SPAN-KOTE offers a full color pallet to choose from. By logging onto SPAN-KOTE's web page, designers and architects will find a link to their "CBN Assistant"® program where they can choose the exact color to meet their needs. The color formula automatically reads as you search through the color wheel.

SPAN-KOTE is a revolutionary formula that has improved the spandrel glass industry. Made of a 100% elastomeric coating that is applied by spray application. Within 24 hours of application SPAN-KOTE cures to a durable film providing excellent adhesion, abrasion resistance and elasticity offering superior fallout protection.

#### SPECIFICATIONS

- SPAN-KOTE is available in four standard colors: #818 Lava Bronze, #819 Greyfite, #833 Harmony Green and #816 Harmony Blue. It is also available in the primary colors of Midnight Black and Pure White.
- SPAN-KOTE has been aggressively tested to meet the required government fallout standards criteria for North America. SPAN-KOTE not only meets but exceeds all required testing. For test results please contact SPAN-KOTE INDUSTRIES INC. direct or your local representative.
- SPAN-KOTE has had over 6000 hrs. of testing in an Atlas Weatherometer and has proven to be resistant to U.V. degradation and humidity.

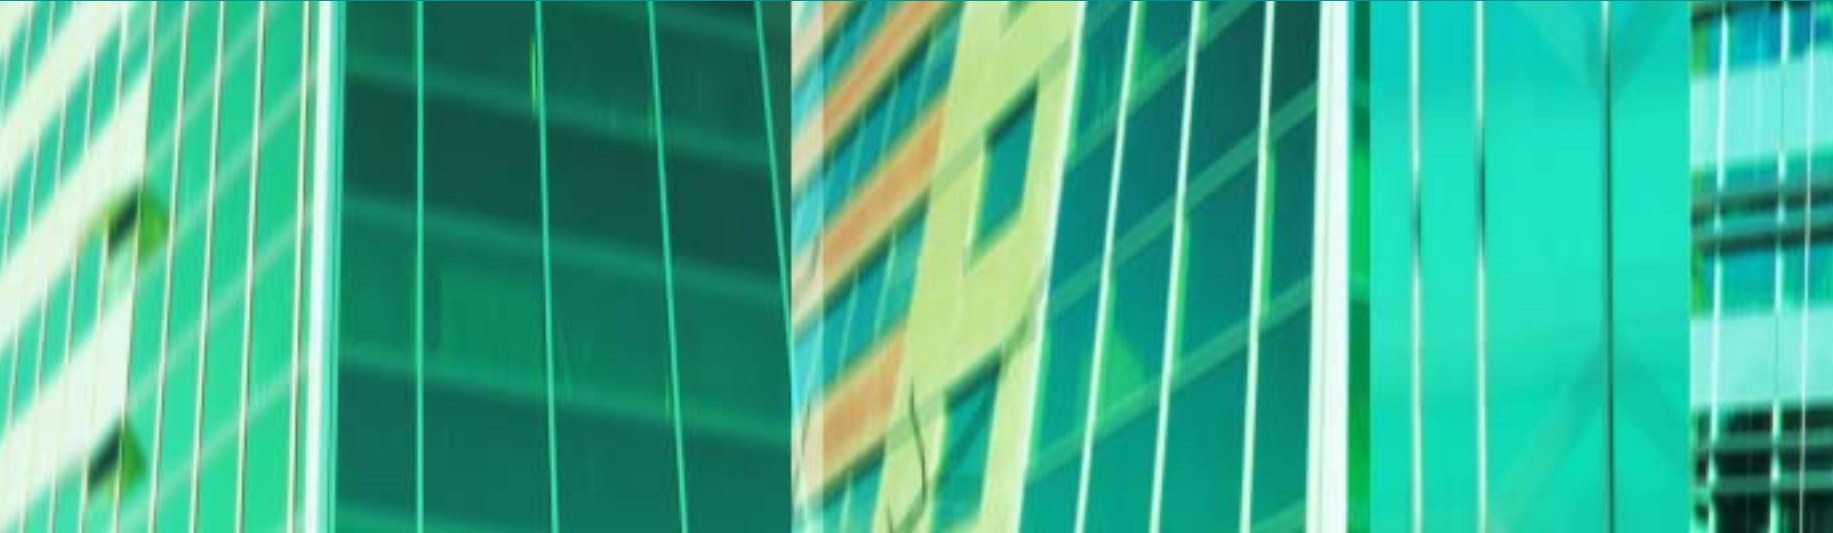

#### APPLICATION

- SPAN-KOTE INDUSTRIES INC. ensures quality controlled application through a factory training program with ongoing reviews and product updates.
- SPAN-KOTE can be applied to annealed, heat strengthened or tempered glass substrates and offers a distortion-free appearance. The primerless adhesion facilitates ease of application.
- SPAN-KOTE can be applied between 30 deg. F and 100 deg. F.
- SPAN-KOTE base product technology is provided by Pecora Corporation. SPAN-KOTE is a mineral spirit based silicone that is impervious to humidity. Extensive testing has shown SPAN-KOTE does not permit fungus or bacterial growth.

you look at glass

**Warranty**

SPAN-KOTE INDUSTRIES INC. offers a ten year limited warranty for SPAN-KOTE when applied through an approved facility.

The information and data contained herein are believed to be accurate and reliable. However, it is the user's responsibility to determine suitability of the product. SPAN-KOTE INDUSTRIES INC. makes no warranty, whether expressed or implied, including warranties of merchantability or fitness for a particular purpose. Under no circumstances shall SPAN-KOTE INDUSTRIES INC. be liable for incidental, consequential or other damages from alleged negligence, breach of warranty, strict liability, tort or any other legal theory, arising out of the use or handling of these products.

Environmental standards play an increasing role in regard to hazardous materials. SPAN-KOTE is a mineral based product in its liquid form. Once cured all that remains is the silicone itself, a natural and environmentally friendly product.
